## Boughton Loam Summary:

Boughton Loam Ltd are producers and suppliers of soil, composts and loam based growing media. We pride ourselves on the service and commitment given to each and every one of our many customers in over many decades of successful business. From our production and distribution facilities in Northamptonshire we produce quality topsoil, cricket loam, turf dressing & growing mediums to the sports turf, landscape and construction industries.

As an employee within a family business, you will be working with a close-knit team environment for a company that has our employees at the centre of everything we do. Boughton is part of The Bennie Group, a family business founded over 80 years ago.

## JOB ROLE

To operate forklift trucks and the robot bagging machine at our Telford Way facility.

## RESPONSIBILITIES

- Loading and unloading materials from a variety of vehicles
- Moving pallet-packed materials around the site or storage facility
- Checking loads are secure
- Assist with the production team to operate the robot bagging machine when required.
- Load and unload materials safely
- Performing equipment checks and basic maintenance
- Following written instructions and keeping records
- Adhering to health and safety regulations
- Completing physical tasks quickly and accurately.

The above list of responsibilities is not exclusive or exhaustive and the post holder will be required to undertake such tasks as may reasonably be expected within the scope of the post. As well as other duties relevant to your experience.

## COMPETENCIES

- To work well in a team of varied Operators, to coordinate the movement of goods and materials.
- Excellent knowledge of Health and Safety requirements
- Excellent knowledge of industrial storage procedures
- Ability to itemise and record stock for inventories
- Accredited forklift operating licence from an industry-recognised body
- Ability to safely lift 25 kilogrammes unassisted
- Competency to operate the robot bagging machine
- Ability to work independently or as part of a team
